With all of the activities competing for a young mans time these days, Why DeMolay?

DeMolay has a successful, time tested program that offers a hands on approach to its members.

It offers a program where its members decide what they want to do, to plan their own fun.

A sampling of activites include bowling competitons, movie nights, rock climbing, dances, and conducting a mock legislation in the State Capital, overnight retreats and lots more.

There are DeMolay Chapters all over the North Texas area and they are looking for people like you, someone who is looking for a way to make new friends, learn leadership and decision making skills and a way to have fun.

DeMolays are building the relationships that will last a lifetime. They are learning what Brotherhood is all about.

But why havn't I heard of DeMolay before? We call DeMolay the best kept secret in town. We dont have a large budget for advertising so most people learn about us from someone else who is involved in DeMolay already. We are always looking for people that we believe have what it takes to be a DeMolay. If you were invited to this Website, then someone thinks you have what it takes.

Take a look at what some parents have said about their sons association with DeMolay. [What Parents Say About DeMolay.](#)

Here is a slideshow of some Activities you will experience in DeMolay.

Isn't it time for your to take a closer look at DeMolay and see what it can do for you. Take a look around and dont forget to visit our state website, <http://texasdemolay.org> and the DeMolay International website, <http://demolay.org> . Also, check out the new page at <http://whydemolay.org> .

Visit the North Texas Chapters link and contact any of the Chapters listed, or one of the contacts on the Contact Us page. We would love to hear from you!
